Big Screen TV

Draw to be held over until Nov 3, 2001 due to the tragic events of last week. North Pointe wants to ensure everyone has the opportunity to enter to be eligible to win. Every new or used vehicle purchased or leased, receives a ballot to win the use of a 1998 Z24 Convertible for a year or a Big Screen TV. One person will win either the use of the car or can choose the Big Screen TV. Chances of winning depend on number of vehicles sold. Example: 75 vehicles sold chances are 1 out of 75. The vehicle is owned by North Pointe Lease Co., and licensed by the winner. Insurance is the responsibility of the winner of the car. Must be insured for the full year. Winner is allowed 24,000 km per the year. Any mileage over 24,000 is c10/km. In order to qualify for the draw a vehicle must be leased or purchased from Sept 4, 2001 to Oct 31, 2001.
