Navigo 301 satellite system
1999⁹⁹ purchase price
- 5000 programming credit
1499⁹⁹ After programming credit

*After all credits. Offer is available to new Star Choice residential customers only (previous purchases do not qualify) and is not available in conjunction with any other Star Choice or RadioShack promotion. *Qualifying customers will receive a \$50 programming credit on their Star Choice account based on Platinum/Bilingual Platinum, Nickel or Diamond Package (cannot be combined with any other offer). No cash value. An additional \$50 programming credit will be offered to customers who purchase a second receiver at the same time and with the same sales receipt as a satellite system. Programming credit on first receiver will be applied to customer's account upon activation of Nickel, Platinum, Bilingual Platinum, Diamond or Gold. To receive the programming credit on the second receiver, the customer must activate the second receiver at the same time as the first receiver and must not downgrade past Gold programming packaging for at least 6 months. Programming credits apply to 1st and 2nd receivers only. This brings the total programming credit to \$100. Ask for full details. Satellite prices are accurate at time of printing. All systems must be installed and activated by midnight, November 3, 2001. Star Choice™ and related designs and indicia are trademarks of Star Choice Communications Inc. and Star Television Network Incorporated. †Costs over and above a basic installation must be paid by customer to installer. Special arrangements or installation of a second receiver are extra. Star Choice reserves the right to limit the number of free maintenance calls. Star Choice reserves the right to remove a dish or equipment in the event that it is determined a proper installation cannot be performed to provide the customer with a quality signal reception.
