2001 F-150 Lightning

The 2001 SVT Mustang Cobra continues to break away from the pack with muscle-car power and refined driving dynamics. Thanks to its DOHC V8 engine and independent rear suspension system (IRS). The IRS provides a competitive edge over the SVT Cobra's rivals by giving the car a firm yet compliant ride and outstanding handling characteristics.

The SVT F-150 Lightning is equipped with a supercharger 5.4 litre V8, 380-horsepower engine. An electronically controlled 4-speed automatic transmission with overdrive is standard. It has keyless entry, cruise control, air conditioning, power group. Only 4 left in stock.

... maintenance and now toll routes, the cost of motoring just went up!! At the face of mind. That's why we offer Extended Warranties. Not only do these take the "inconvenience" out of a breakdown by subsidizing your towing but there are many combinations to suit every need and pocket-book. As pressing applications for New Car Extended Warranty on any Ford/Lincoln (whichever comes first). This means for example, that if your car is only 100 km's!! (Note, this is in addition to the mileage already on the vehicle). It can be done by calling the toll free number. This simple procedure is all that matters where you are!! Please call Dennis or Donna for more information.
