the saddle, catching her left foot in the stirrup and was dragged. She died from massive head trauma. Her family witnessed her death.

During the lengthy trial and the deliberation, Elizabeth's parents, supported by friends, held a vigil outside the courtroom. Meanwhile, family and friends of both Coultice and Tarpey waited as well.

Judge Bruce Glass told the Hader family he recognizes the trial was difficult for them.

Also interested in the trial were officials of the Ontario Equestrian Federation.

"It is our responsibility is to make sure no one is hurt or killed from a fall," federation president Bruce Brown of Ajax said.

Brown is one of many in the horse community pushing the government for stronger safety laws for children's riding establishments. This spring he helped the Haders convince the province to introduce a helmet and foot gear law for children. Brown is now trying to get the province to extend the law to include ponies.

"The helmet and foot gear law is a start. It didn't go far enough. It should include ponies," he said. "We can't take short cuts. We can't get sloppy. We are dealing with lives."

## LOBSTERFEST

### THE TASTIEST TREAT IN TOWN

When it first opened 15 years ago, The Corner House Restaurant in Stouffville introduced a special event called LobsterFest. For one week during each month in summer, fresh Atlantic Lobster was flown in and served up fresh. The event was an instant hit with local patrons and a tradition was born.

Fifteen years later, LobsterFest remains one of the biggest draws of the year at The Corner House. The busy Restaurant hosts many events throughout the year, but LobsterFest is the clear favourite. "People like the fact that lobsters are flown in fresh and cooked here," says chef Les Broadbent of The Corner House. "It's a lot of fun for our customers and our staff." For one week each month, from April to October, The Corner House Restaurant features fresh Atlantic lobster as part of its daily menu cooked in several different ways, including Steamed, Broiled and Thermidor. Succulent lobster tails, seafood pastas, and vegetable combinations make this menu one to experience. The last LobsterFest of 2001 is now on and ends November 4. This is a popular event, so book your table well ahead.

If you appreciate fine French, Cajun and Italian foods meticulously prepared to perfection, The Corner House is the place for you. A diverse regular menu of tasty entrees includes grilled or blackened fish, pepper steak, rack of lamb and

gourmet pizzas. Be sure to try the house favourite, Brandy Snap Basket.

The right ambiance is an important component of any fine dining experience and The Corner House has it all. Posters of jazz musicians and other artworks complement the bright new décor. Friendly staff is committed to making your dining experience truly memorable.

The Corner House Restaurant also offers at-home catering services. Les Broadbent and Manager Jen Brown (above) can help you personalize menu selections, as well as desserts and wines to complement the meal. Give them a call at 905.640.8494; the next time you plan an at-home gourmet dinner party.
