SHERWOOD,
Justin Garfield

Only child of
Debbie (nee Lambert)
and Gar Sherwood.

Born May 31, 1983, passed away tragically and suddenly, on October 26, 2001. In his ever so brief 18 years, he gave so much joy to his family and friends. He was a talented baseball player in his growing years, with his Dad by his side as his coach. Both Mum and Dad were his biggest cheerleaders. In his early teen years, he developed his gift for golf and was able to outride his Dad regularly, much to his Dad's delight. He was a handsome, natural athlete. At the age of only four, he discovered his passion in life, computers. He loved every moment working on them and playing on them. Justin discovered the co-op program at Markville High School in grade 11. They were able to place him in a wonderful company called Keating Technologies in Markham. He was invited back every summer and made special friends with several people. Rick, Justin's boss this past summer and his fiancé Kim, became very close friends of his and he spoke daily to them. He thought the world of you both. We know everyone there is devastated by his sudden passing. Thank you for making him feel part of your team. God Bless you for giving him such wonderful opportunities, it really helped him to establish his career goals. Justin was a great son, who had a wonderful sense of humour. Everyone loved him so much. He had lots of good friends at Markville and great times with them. Through technology, he had a large circle of friends, especially all over the world on the Internet. We know that you are feeling this terrible pain and loss now as well. His dream was to go to Ryerson University and take the five year program, Information Technology Management. The day before he died, we got to go with him on the tour of the university and meet the people who ran the school. We got to see the residence where he hoped to go. He was so looking forward to the rest of his life. Justin also leaves behind his only living grandmother Muriel Lambert with whom he had lots of special times and his amazing late grandfather Jack Lambert with whom he had a special bond. Justin also had grandparents that he never got to meet the late Harry and Bertha Sherwood. Justin is also survived by his great aunt Nancy Drayer (who shared his love of peanut butter and jam sandwiches) in Sault Ste Marie; Uncle Jack and Aunt Marjorie Sherwood, London; Justin is also mourned and missed by his godparents Aunt Liz and Uncle Ray Abbott, Oshawa; Aunt Susan and Uncle Wayne Beath, Chicago; Aunt Marnee and Uncle Steve Stern, Pickering; Uncle Hank and Aunt Kay Sherwood, Newmarket; Aunt Shirley Burns, Etobicoke. He was predeceased by the late Aunt Betty and late Uncle Vince Verney, Markham, and the late Uncle Bob Burns, Etobicoke, the late Aunt Helen and Uncle Dennis Locke, Scarborough. Justin had many cousins who will always love and remember him. He is missed desperately by his little sweet dog KIRBY, whom he picked for his puppy twelve short years ago. Our friends and neighbours, looked at Justin as part of their families as well. We thank you for your love and support towards him and our family over the many years. In your brief life Justin, you gave us such joy. I hope you know how you made us so proud of all your accomplishments and just by being you. We know that there are many of our family members who are already in Heaven. We know they will love and help you in Heaven. We will have to wait to see you again our sweet, sweet son. We will never forget you. We will love you for the rest of our lives. God speed and protect you, our dear Justin in Heaven. Love Mum, Dad and Kirby.

In lieu of flowers, a scholarship will be established in Justin's name at the Markville Secondary High School, Unionville, Ontario. Donations can be made to TD Canada Trust, 8545 McCowan Road, Markham, Ontario L3P 1W9.
