

EARLY BIRD CHRISTMAS

ONLY 40 DAYS OF SHOPPING LEFT

Be an Early Bird Shopper

We've all heard the story of the rocket science, but utilizing your guy who heads out to shop just local information source makes a before the stores are due to close lot of sense when it comes to on Christmas Eve -- December 24. shopping locally and finding exactly And, we all shudder with horror! the right present for that hard-to- There's a lot to be said for buy-for person on your list. shopping ahead of time -- heck, we And, it pays to shop early and even know people who start their start early. In fact, the earlier the Christmas shopping for the better. following Christmas, just a few And, we have many splendid local months after Christmas has just shops and stores, as well as larger past. stores, that already have a number

Most people assemble first a list of Christmas specials. It pays to be of everyone they have to buy for, a knowledgeable shopper when it whether they have to buy for comes to Christmas. someone else (maybe a senior who And, you know, when you have can't get out) and then they put your shopping either completed or their plans into action. under control, you can relax a bit

The list is a good start, then and really get into the Spirit of placing some ideas beside the Christmas, decorating your house, names of people on the list is the having friends and family over to second step. Personally, we like to celebration the season.

utilize the advertisements in the With so much going on over the local newspapers and the holidays, you don't want to be that newspaper flyers to make guy out on December 24 looking for suggestions easier for people on our that ever-elusive present, just as list. shopkeepers are closing their

Using this method, you can pretty stores, looking to get home for the well figure out what to buy those on holidays themselves! your list and just where to go to buy those selected items -- it's not
