

Councillor Usman

Councillor Khalid Usman would like to wish all a happy Diwali. We would also like to apologize for the cancellation of the WARD 7 community meeting on Nov. 14/2001 due to the holiday.

### Christmas at the Museum

Although 'Breakfast With Santa', scheduled for Sunday, Nov. 25, with two sittings, is sold out, there are two other exciting concerts being given at the Markham Museum and Historic Village, located on Hwy. 48. First off, is fabulous children's entertainer -- the popular Lenny Graf. He'll appear on Saturday, Nov. 24, at 1:30 p.m. at the Museum. Tickets are \$8 for adults and \$6 for Children. The second concert, is The Vocal Students of Markville Secondary School giving a traditional holiday concert in the winter wonderland of the Markham Museum at 7:30 p.m. on Nov. 24. It should be quite a night! Tickets are \$8 for adults and \$6 for children. (Admission to either concert includes admission to 'Christmas in the Village'.) For tickets to either concert, phone the Museum at 905-294-4576.
