Have a FIRE-SAFE CHRISTMAS

Make sure the base of your Christmas tree is immersed in water at all times.

Never place lit candles on or near your tree.

RECRUITMENT

DEVELOPMENT TECHNOLOGIST

Reporting to the Director of Development Services, our Development Technologist will co-ordinate the review and recommend approval of subdivision and site plan engineering submissions, prepare and administer subdivision agreements, undertake design and tendering of capital projects, and review and approve applications for on-site sewage disposal systems.

To join our team, you will require formal academic training in civil engineering technology obtained through a community college diploma accompanied by membership in the O.A.C.E.T. Significant experience in municipal servicing design including roads, water, sanitary sewers and storm water management along with a working knowledge of processing and administering subdivision agreements are essential. Certification as a regulator under Part 8 of the Ontario Building Code would be an asset. Proficiency in various computerized office and municipal engineering applications is required. Applicants must have a valid driver's licence and vehicle to use on Town business.

The Town offers a salary range of \$41,518 to \$48,124 (under review), an excellent benefits package and a friendly, supportive work environment.

Interested individuals are invited to forward their resume, in confidence to Administrative Assistant, Town of Whitchurch-Stouffville, 37 Sandiford Drive, 4th Floor, Stouffville, Ontario L4A 7X5 by Friday, January 4, 2002 or forward by Fax: (905) 640-7957 or E-Mail to susan.slack@townofws.com

We thank all applicants and advise that only those selected for an interview will be contacted by January 14, 2002
