"Success Builds Success" at Durham Secondary Academy

Today a high school diploma is very important. From getting that first job to qualifying for college or university, it's a necessary step to success.

But for many people studying in a large classroom in a traditional high school environment is difficult. The Durham Secondary and Middle School Academy offers students an alternative or a complement to their current high school studies.

The philosophy of the school is that students learn best in a safe environment that challenges them with high academic and behavioural standards.

At the Durham Secondary and Middle School Academy, learning is far more than an acquisition of facts but involves understanding concepts, developing thinking skills, and becoming a self-confident, creative person.

Their program offers credit courses following the requirements of the Ontario Ministry of Education and Training leading to an Ontario Secondary School Diploma.

Principal George Vanderkuur and students at Durham Secondary and Middle School Academy.

Students can take advantage of flexible time-tabling which includes:
• A traditional semester format with two per school year.

- A condensed ten week semester format with four per year.
- There are four entry points throughout the year with new courses beginning in September, November, February and April.

Students will also enjoy a low pupil/teacher ratio with a maximum class size of eight. They will also have continual assessment and feedback on their progress.

All of the courses are taught by qualified teachers who are specialists in the subjects they teach. They work closely with each student, using teaching strategies suited to their individual learning styles.

"Success Builds Success" is the motto of the Durham Secondary Academy underscoring their determination to provide each student with the opportunity to succeed.

For more information about the Durham Secondary Academy call (905) 426-4254 or visit their campus at 520 Westney Rd. S. in Ajax. Now accepting Fall 2002 registrations for Grades 7 & 8.

Durham Secondary Academy & Middle School

An Alternative Private Education High School
520 Westney Rd., South, Ajax, Ontario
905-426-4254

At Durham Secondary Academy, successful learning is a priority.
Our formula for success is: Individual attention with outstanding teachers in an informal, friendly environment.
We offer all core secondary school courses in unique 10-week semesters. We specialize in Math, Science and the Arts with experienced teachers who provide hands-on learning.
We accept part-time and full-time students who can combine attendance at DSA with regular high school attendance.

New Semester starts Feb. 5th/02!
520 Westney Rd. S., Ajax
905-426-4254
