North Markham Honda wins prestigious Q Dealer award

The folks at North Markham Honda have a lot to celebrate these days. Their dealership has earned the prestigious Q Dealer award for the year 2002 from Honda Canada Inc.

"I'm pleased and proud of this accomplishment," says Ron Turcotte, General Manager of North Markham Honda. "The Q Dealer award carries added significance for us because we're a small store. It goes to show that people working together can move mountains."

The entire staff at North Markham Honda worked hard to achieve this award, particularly the last few months of the year. "It was a challenge trying to maintain our focus across the board in all departments, but we pulled it off."

The Q (Quality) Dealer award is awarded for achieving

exceptional standards of excellence in quality, customer satisfaction and client services. Honda Canada sets standards that must be exceeded in the following areas: the new Honda vehicle purchase experience; the quality of work performed by the service department; above average customer satisfaction

ratings; and an ability to meet all dealership facility standards.

North Markham Honda will not be a small dealership for long. To accommodate its steady growth, the dealership is re-locating to a larger facility, just down the street, later this year. The new facility will feature an 18-car new car showroom, a 75-spot underground parking garage, and 22 full service bays that include four Accelerated Service bays.

"Our new location will give us a more visible presence and will provide greater comfort and convenience for our customers," says Turcotte.

North Markham Honda is a full-service Honda dealership, featuring a complete service facility, a full line of Genuine Honda parts & accessories and shuttle transportation. Professional body shop repairs are also available.

North Markham Honda is a division of the Dilawri Group of Companies, which is operated by President, Kap Dilawri.

North Markham Honda is located at 4611 Hwy # 7 in Unionville (at Kennedy Rd.). They can be reached at (905) 477-2451.
