## Northland Art Company - quality framed artwork at discount prices

Northland Art Company, in Markham, offers retail and corporate customers exceptional art at exceptional prices. Now in its third year of operation, the gallery is committed to providing art-lovers with the best value in framed, limited edition art in North America.

Northland publishes and frames a variety of living and historical artists including The Group of Seven. Nationally known contemporary artists include John Joy, Marc Barrie, Jake Vandenbrink and others. The average price for a framed, signed and numbered limited edition, is approximately \$100.

Visitors to the 3,000 sq. ft. Gallery are treated to a large selection of art, professionally framed and displayed. Browse among the three showrooms that include a separate area where originals are featured. Whether it's a landscape, a still life or a Victorian period piece, Northland Art Company will have that special piece to adorn your home or office.

Customers can choose from eleven different mouldings for their selection. Group of Seven prints are always popular, and very affordable. A 36 inch, 2 1/2 inch-moulding, A.J. Casson print is just \$175.

"The Group of Seven is our staple," says Paul Bremner, owner and operator of Northland Art Company. "We have built our business on Group of Seven prints, and they continue to be popular for both the home and office."

Another featured artist at Northland, is internationally known Canadian artist, Rajka Kupesic. Northland is publishing reproductions of her paintings and is representing her for her original serigraphs (silk-screens).

Passing on savings to its customers is the secret of Northland Art Company's success. After 25

years in the retail art business, Mr. Bremner expanded his business to become a wholesale manufacturer of finished, framed artwork for small retailers across Canada.

"We have a framing, manufacturing business in west Toronto, so we can frame our prints at a low cost," says Bremner. "The prints really are a great value, and it's why people keep coming back."

Northland Art Company offers additional savings with a Preferred Client Card for repeat purchases. Any regular priced purchase at Northland entitles customers to the card for further discounts.

Drop by and view the superb selection of framed prints, as well as many new additions that have been added to Northland's collection. The company's regular showroom hours are Mon. to Sat. (10-5).

Northland Art Company is located at 60 Bullock Drive, Unit # 4 in Markham.

They can be reached at (905) 294-1104.

## Sandy's Auto Service

The Home of the Doctor...

Quality is not expensive, it's priceless

Modern vehicles today are equipped with numerous sensors and on-board computers to enhance safety and operating efficiency. Poor Driveability and performance are often the result of a computer sensor that has become faulty over time and distance travelled.

Diagnosing problems in modern vehicles has become more challenging as many problems are intermittent, making them difficult to pinpoint. This is where the experienced and knowledgeable technicians at Sandy's Auto Service make use of the latest diagnostic tools and on-going training. Sandy is certified by the National Institute for Automotive Service Excellence (ASE).

Owner Sandy Devitt and the staff can troubleshoot and correct problems on your specific model. They can also provide routine inspections and maintenance to help your vehicle last longer.

Since 1975, all of their work at Sandy's Auto Service has been done "as necessary". Each repair is evaluated as to the nature and extent of damage. You will be presented with as many options as possible to resolve any problem that you may have.

Sandy's Auto Service uses quality parts that meet or exceed your vehicle's original performance specifications.

Whether it's domestic or import, Sandy's Auto Service can provide tune-ups and diagnostics with computer print-out when

requested. Some of the many other expert services offered include 4 wheel disc and ABS brake repair, fuel injection, shocks/struts, exhaust, front end, lube-oil-filter, and MOT safety inspections. They also service and repair engines, transmissions, clutches and differentials.

Sandy's Auto Service is an accredited Ontario Drive Clean Test & Repair facility. Should your vehicle not meet the required emissions standards, they will be happy to provide honest, reliable advice. Their goal is to help get you on the road as quickly and cost effectively as possible. Call for your appointment. Ask for The Doctor (Sandy) or The Boss (Sharon) his wife.

Sandy's Auto Service is located at 176 Bullock Drive, Unit 8, in Markham.

They can be reached at (905) 294-3868.
