## Markham Clinic Specializing In Medical Esthetics

If you are looking for advanced esthetics and skin treatments, Sherlase Clinic offers these services at one convenient location in a confidential setting.

Laser hair removal is popular with both men and women and is here to stay, says Sheri Kurtz, owner of the Sherlase Clinic, Markham.

"People just don't know all there is to know about laser hair removal and there's a lot of misinformation out there," she says. "We, at Sherlase, take pride in both informing and educating our clientele as to just what to expect when deciding on a laser hair removal plan that is best for them. Each person is different and we want you to be totally comfortable and know what to expect from the treatment plan recommended."

"Our professionals care about removing unwanted hair. We have one of the most up-to-date, powerful, and FDA approved lasers available. With this type of laser we have more than enough power to eradicate hundreds of hair follicles at once. This means we can get rid of unwanted hair faster and more efficiently to all skin colours."

The newest addition to the clinic is a laser designed primarily to eliminate facial and leg veins. This laser also effectively treats Rosacea and cherry angiomas. Some clients are treated with a combination of Sclerotherapy and vascular laser for leg veins.

The Sherlase Clinic offers an extensive range of advanced esthetic services that

"Our skilled professionals keep current on the latest trends and developments in order to deliver the best care possible. We have planned information evenings in order to educate our clients and make them knowledgeable and comfortable with the procedure. All our consultations are confidential and free," says Kurtz.

The Sherlase Clinic is located at the southeast corner of 16th Ave. and Markham Rd.

## French country styles featured at The Queen's Pantry

Linda and Karen Chadwick of The Queen's Pantry would like to invite you on a sojourn to France this season. Their two locations in Unionville have been revamped with the sunny, warm pallets of French Country Décor.

"French Country continues to be a strong decorating trend with our customers," says Linda. "The emphasis on vibrant yellows, russet reds, grass greens and cobalt blues will help to chase away the winter blues and make your home seem as if the sun is always shining."

In January, Karen and Linda searched the gift shows for decorating elements and accessories with a French theme. "We found ceramics and table top linens from Provenance which are very popular," says Karen.

The Queen's Pantry also features an array of toile bedding, curtaining, placemats, chair pads and upholstery pieces. "Toile has become very popular over the last year," says Linda. "We even have pajamas in toile."

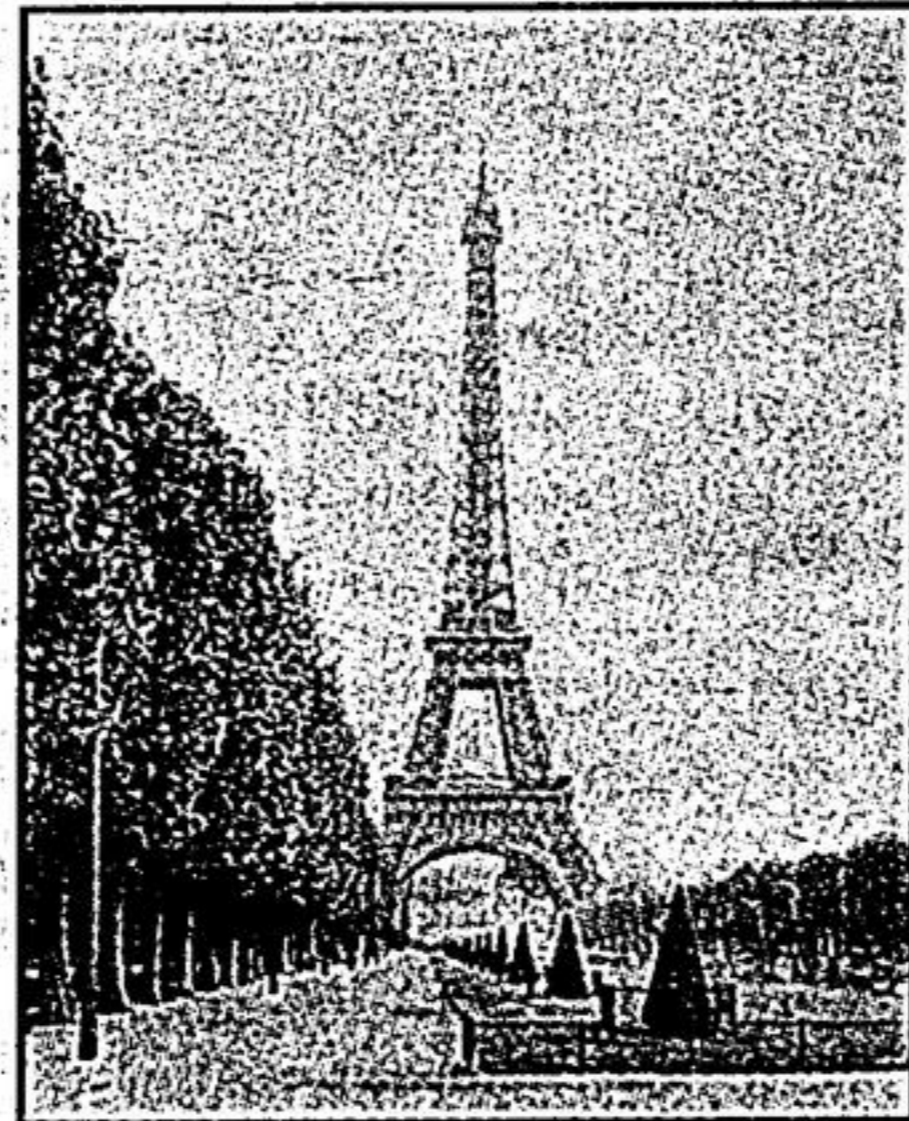

Visit The Queensbridge Mill and view the new "Au Jardin" inspired French Country line of hand-painted furniture. This line of furniture is offered at an introductory 20% discount until May 30th. "To celebrate our tour de France, much of the French inspired merchandise is offered at discounted prices," says Karen.

For your added shopping pleasure,

music from "An Evening in Paris" plays throughout the store. "We're having a lot of fun with the French theme, and so are our customers," says Linda. "Everyone leaves with a smile on their face."

Due to the tremendous success of The Queen's Pantry's Decorating Course on colour in February, another course will be offered in April. The Decorating Course will take place at The Queensbridge Mill and will focus on a range of interior design elements within the home. Call The Queen's Pantry for more details.

The Queen's Pantry offers a unique selection of upholstery and wood furnishings, stylized curtaining, window dressings, bedding, high-end furniture, floral and tabletop accessories, quilts and area rugs. A customer in-home consultation service is offered.

The Queen's Pantry is located at 176 Main St. in Unionville and can be reached at (905) 477-4625. It is open Monday to Saturday from 10AM to 5:30PM, Thursday 10:00 AM to 9:00PM, and Sunday from noon to 5:30PM.

The Queensbridge Mill is located at 4160 19th Ave., between Kennedy and Warden and can be reached at (905) 887-1127. Winter hours are Thursday to Saturday (10am to 5:00pm).

For decorating ideas, be sure to visit the Angus Glen Kylemore Model Homes located on Kennedy Road north (south of Major Mackenzie). Visit the company website at [www.queensbridge.com](http://www.queensbridge.com).
