Have you ever wondered what life was like in the 19th Century? Here's your chance to get some first hand experience at our 25-acre village and gardens. Spend time gardening, cooking over an open hearth and in the bake oven, weaving, quilting, tinsmithing, leatherworking and printing on the printing press. On the lighter side participate in recreational activities such as 19th century games, dance and crafts. You'll also enjoy some fun field trips and our very special guests. It's an adventure in early pioneer life!

Included in the fee: 2-snacks each day, soup to accompany a lunch brought from home, camp T-shirt and field trips and/or special guests. Before and after care also available.

Pre-registration required.
