HELICOPTER CRASH INTERRUPTS MEDIA CONFERENCE

Two men — a student pilot and his instructor — were taken from a helicopter that crashed during a media photo session held to promote Police Appreciation Night Thursday afternoon in Holland Landing. Neither was seriously injured. The helicopter came to rest about 150 metres from where York Regional Police Chief Robert Middaugh was being photographed with Markham teen David Cutler.

All Senior Care Is Not Created Equal

At Sunrise Assisted Living, our approach to senior care is different—and better. It's an unmatched living environment beautiful beyond compare. It's residents chatting with friends in the Bistro with Sinatra playing on the jukebox. It's joining a group outing or curling up with a favorite novel in front of a bright, sunny window. More importantly, it's a caring place where help is at hand when needed. Here, residents enjoy supportive care for all the challenges of advanced age—and the promise of new friendships, too. It's a positive alternative to an institutional setting.

Ask about our innovative Reminiscence Program for those with memory impairment.
