In Our Communities

All Senior Care Is Not Created Equal

At Sunrise Assisted Living, our approach to senior care is different—and better. It's an unmatched living environment beautiful beyond compare. It's residents chatting with friends in the Bistro with Sinatra playing on the jukebox. It's joining a group outing or curling up with a favorite novel in front of a bright, sunny window. More importantly, it's a caring place where help is at hand when needed. Here, residents enjoy supportive care for all the challenges of advanced age—and the promise of new friendships, too. It's a positive alternative to an institutional setting.

Ask about our innovative Reminiscence Program for those with memory impairment.
