

# UNIONVILLE VILLAGE FESTIVAL

Welcome to the 2002 Unionville Village Festival Special Section.

This year's Festival starts Friday May 31st and runs through Sunday June 2nd.

Make sure you are there all day Saturday and stick around for the fantastic Fireworks at dusk. On Sunday, Main Street will be closed to vehicular traffic from just north of the Planing Mill to the south side of Carlton Road. Be sure

to bring the family out to Crosby Park for a full afternoon of fun!

This year we've added a great Farmers Market on Saturday at The Fred Varley Plaza (drop by before you head home to barbecue) and we've changed the format of the Krazy Kraft Race — now it's easier than ever to participate — decorate any kind of boat (unmotorized of course) and get in on the action.

## Music Schedule for Saturday and Sunday
