Soccer men set to kick off a new Ontario Soccer League season

BY MIKE HAYAKAWA
Sports Editor

Finishing last season in the Ontario Soccer League's first division with a fourth-place record of 9-6-5, Jens Kraemer was satisfied with the effort given by the Markham Soccer Club men's team.

As Kraemer approaches his third season in directing the fortunes of the Markham team, which begins tomorrow when they face Olympic Flame at Mount Joy field at 8:45 p.m., he's optimistic his charges can improve on last season's effort.

With the nucleus of last year's club returning to the fold, combined with a few reinforcements, Kraemer sees no reason why his club can't once again remain a contender.

"The squads that I coached the last two years were good," recalled Kraemer. "But I think we're a better team this year. With all of our key players back from last year's team and a few new faces, all of whom bring a lot of experience, we're a deeper squad this year."

Among the new faces are a pair of defenders in Michael McCatty, who started last year with Markham before incurring a year-ending knee injury in the club's second-to-last exhibition game, and Anthony Whitney, who played for Mississauga last year in the Canadian Professional Soccer League.

Pat Sullivan, a former CPSL and Canadian Soccer League performer, and Steve Gill, a former provincial team member, are solid utility performers, Kraemer noted.

Sakis Rizos, another former CPSL player, is one of three netminders vying for the starting position along with three-year veteran Glen Faulknor and John Moerman.

Other veterans include strikers Neill Mair and Bart Ostaszewski. Nick Shelton and Dwayne Higgins, both members of the University of West Virginia soccer team, return to play the striker or wide midfielder positions.

Team captain Alan Fogetti will anchor the midfield position, which includes Tom Cudzillo, Andrew Woolridge and Czeslaw Zajac. Dariusz Ostaszewski joins McCatty, Sullivan and Whitney on the backline.

Through practices and exhibition matches, Kraemer likes the team chemistry.

"If the guys bring their best game we can be competitive. Sure, you need a bit of luck with injuries and cards, but if we stay healthy I think we can be there at the end."
