## "Most fitness programs fail. Mine are designed to succeed!"

A lot of my clients are people who joined a fitness club and stopped going after a few visits. They find them too crowded, too busy and too intimidating. Not at my club.

For a free no obligation consultation just give me a call. Start getting more out of life. Get fit. You'll look good and feel great.

Tim Whyte  
Certified  
Personal Trainer

I treat you as an individual. Most of my clients are in their 30's or over. My Total Personal Fitness programs are specifically designed to fit your lifestyle and interests. And maximize your goals.

My programs are challenging and never lacking in motivation.

My staff of certified personal trainers are there to monitor, support and encourage you on an appointment only one-to-one basis. And provide the feedback you need to keep on track.
