## Durham Secondary Academy & Middle School

An Alternative Private Education High School  
520 Westney Rd., South, Ajax, Ontario  
905-426-4254

Summer School is Available at  
Durham Secondary Academy and Middle School

What can parents do if their child needs to pick up a credit course this summer? They can turn to Durham Secondary Academy and Middle School, a private day school designed to give students the opportunity to reach their potential.

Summer school classes for grades 9-OAC run from July 2-August 2 each morning and are specifically geared to students who are experiencing difficulty with new curriculum expectations. A full credit in high school English or Mathematics can be obtained. Be sure to ask about Biology, Physics and Chemistry courses as well.  
Limited space is available for summer so call now to register.

During the regular school year, the school offers flexible timetabling and can accept students at 4-entry points a year - September, November, February and April for condensed 10-week semesters.

Students from grade 7 through OAC receive individual instruction from the highly qualified, experienced staff at Durham Secondary Academy. This dynamic school offers both full time and part time students the same credit courses as a regular school but with a student/teacher ratio of no more than 8 students per teacher.

DSA is located at 520 Westney Street South, in Ajax, conveniently close to GO Transportation and Hwy 401. DSA is still accepting Fall 2002 registrations for Grades 7-12. For more information call 905-426-4254.
