For fine furniture, mattresses and accessories, look no further than Stouffville Furniture.

Boasting a large, spacious showroom and competitive prices, there's really no need to compare. You can shop or look elsewhere, but customers keep returning to Stouffville Furniture, at 5402 Main Street in Stouffville.

In fact, their slogan is, "For all your furniture needs." In business since July 1993 in Stouffville, and owned by Ville and George Papas, Stouffville Furniture carries an exclusive line of sofas, love seats and chairs, like Decor-rest. In fact Stouffville Furniture carries their exclusive line, called "Treasures" for all of Ontario.

Stouffville Furniture also carries Super Style and Brentwood Classics. Brentwood features web and coil construction

in their sofas, love seats and chairs.

Ville and George also carry the Broyhill line of sofas, love seats, chairs, living rooms, dining rooms and bedrooms; and Villageos, which is solid bedroom sweets of cherry and maple wood.

"We carry a lot of Canadian furniture, like Bermix dinettes," pointed out Ville in an interview.

"We try to stock to Canadian goods because Canada has one of the best upholstery in the world and their frames are solid...and with Canadian, you don't have to pay duty and the exchange on the dollar. We stick to the local furniture because of their warranties and they stand by it," added Ville.

Stouffville Furniture also carries a "nice selection" of beds, like Simmons Beautyrest, which is a true pocket coil and "one of the best pocket coils available...it contours to the shape of your back," explained Ville.

They also carry Therapedic mattresses and Kingsdown, "which is like an Obusform, it's good for your back and we sell quite a few," noted Ville.

They also carry accessories, like pictures, lamps, "that go with our furniture." There's also entertainment units, "whatever room you need to furnish, we have it all," exclaimed Ville.

"We also have a nice selection of reclining chairs for Father's Day, and leather furniture by Decor-rest and Leathercraft.

They also do custom orders with great choice of fabric. Ville said, "I will go into people's homes to set up their furniture and we have full delivery services."

"We're big enough to serve and small enough to care. We're a family business!" she added.

"And, we find this town is very supportive and it's nice to see that. A lot of people come in to give us the first chance. If they see a style in another store, they come in to see what we can do for them. Markham and Uxbridge people are very supportive too," noted Ville.

Stouffville Furniture, with its 5,000 square foot showroom, is open seven days a week: Monday to Wednesday, 10 a.m. to 6 p.m.; Thursday and Friday, 10 a.m. to 8 p.m.; Saturday, 9:30 a.m. to 5:30 p.m.; and Sunday, 12:30 to 4 p.m. (In July, they are closed on Sundays).
