## A Perfect Touch offers home cleaning services for all lifestyles and budgets

Want to spend more time relaxing or entertaining friends this summer? Have you got the house-cleaning blues?

A Perfect Touch can solve those concerns with a simple phone call. For 20 years, A Perfect Touch has provided professional home cleaning service for homeowners throughout Markham, Unionville, Stouffville and Scarborough.

Owner Lorraine Allegretti attributes her company's long-term success to quality service, flexible scheduling and dedicated staff. "We employ a fully-trained staff of cleaning attendants who are honest and dependable," says Lorraine. "They have met all the necessary requirements through weeks of in-house training sessions in professional cleaning abilities and the results have been tremendous."

### CUSTOMERS BUY ONLY WHAT THEY NEED

Unlike some home cleaning companies, A Perfect Touch sells its service in blocks of time instead of per job. Cleaning packages can be customized to suit each individual client for all purposes: spring-cleaning, and cleaning for special occasions. Customers purchase only the cleaning service and time that they need.

A Perfect Touch staff is encouraged not to cut corners and to spend an adequate amount of time on each cleaning project. "Our mandate is professionalism combined with quality workmanship," says Lorraine. "We clean homes from top to bottom as if they were our own. Windows and wall-washing are also cleaned upon request."

Quality workmanship is ensured with a team effort, and each crew is supervised. All work can be accomplished whether you are home or at work.

### A CLEANING SCHEDULE TO SUIT YOUR LIFESTYLE AND BUDGET

Whether it's once a week, bi-weekly or on special occasions, A Perfect Touch will establish a cleaning schedule that fits your lifestyle and budget. Perhaps you only need a couple of rooms cleaned, every other week. Or a light dusting once a week. The choice is yours, and A Perfect Touch is happy to accommodate any request.

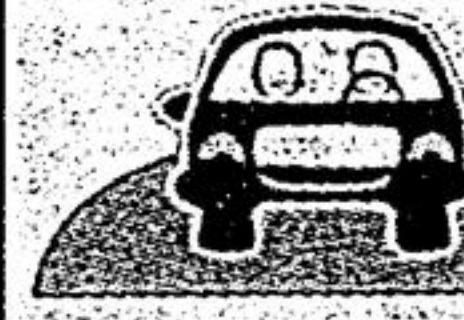

A Perfect Touch uses only high quality, environmentally friendly cleaning products for safe results. Gift certificates are available, which are perfect for birthdays or anniversaries. Customers are not required to sign a contract for cleaning services.

A Perfect Touch offers its services in Markham, Unionville, Stouffville, Scarborough and Pickering.

There are no prerequisites for services -- just call A Perfect Touch at (905) 477-4089 or (416) 286-7738.

## Markham Furniture builds and sells quality sofas at factory prices

Markham Furniture recently moved to a larger factory-showroom across the street, and owner Bill Rizk is looking forward to providing customers with a wider range of quality sofas, mini sofas, loveseats, chairs/chaire lounges, wing chairs, Louis XV chairs and tufted or plain footstools.

"So far, the response from our customers has been terrific," says Bill Rizk, owner of Markham Furniture. "They appreciate the opportunity to view a much larger selection of furniture in one convenient location."

### QUALITY SOFAS AND CHAIRS

Since 1998, Markham Furniture has manufactured custom sofas and chairs of exceptional quality and design. Each piece of furniture is handcrafted on the premises to suit an individual's needs and tastes. Many choices of seating firmness (soft, medium or firm) are available, as well as deluxe, down and feather.

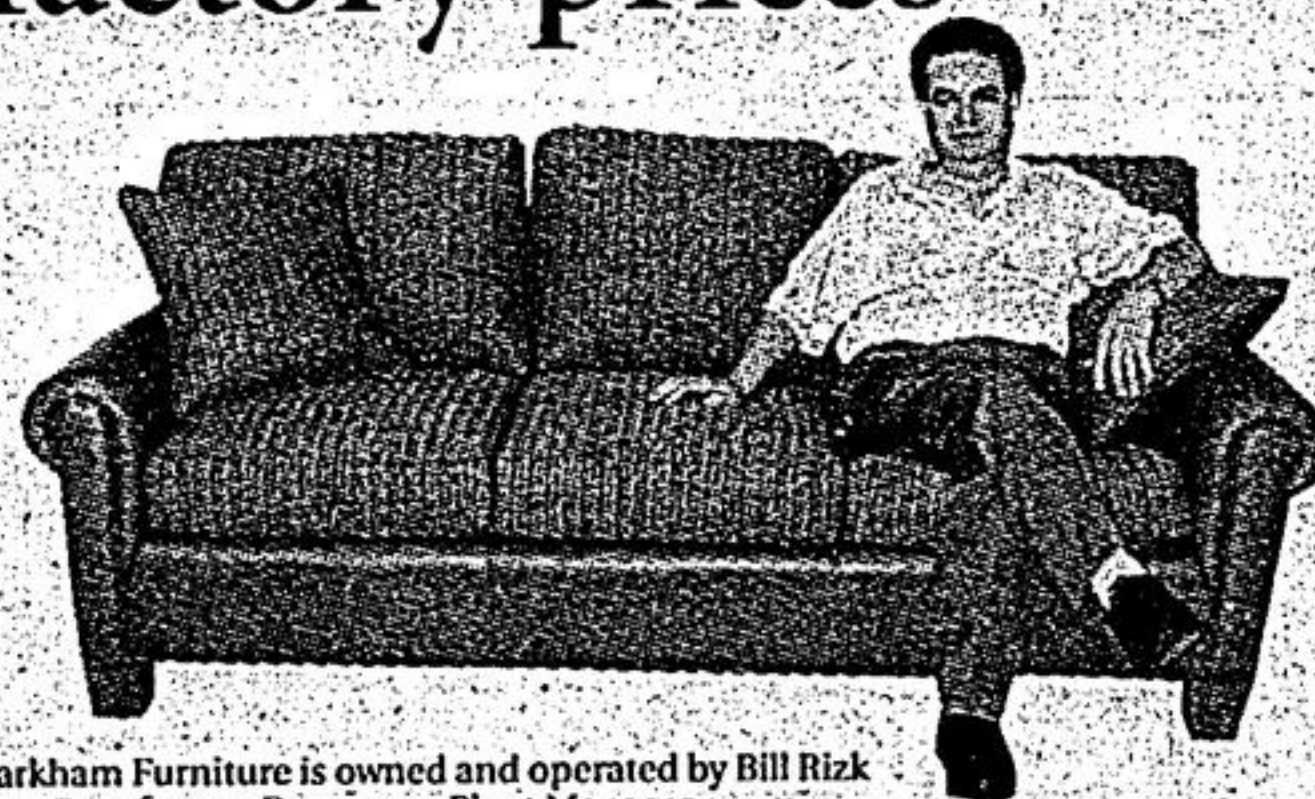

Skirt or different leg treatments are offered, as well as a variety of wood finishes. Most sofas can include a full arm or a T-cushion (recessed arms). Seat height to the floor can be adjusted at no additional cost.

"Our frames are constructed from Canada hardwood (1 1/8" thick) double dowelled, glued, screwed and blocked at every corner," says Mr. Rizk. "We use 8-way hand-tied, heavy gauge coil springs, four rows deep."

Cushions are filled with high-density ultra cell foam while the backs are padded with brand name Dacron. All fabric is perfectly matched whether it's floral, stripe or plaid.

### THE BEST REUPHOLSTERY SERVICE IN TOWN

In addition to offering brand new sofas, Markham Furniture provides expert reupholstering services for a wide range of furniture, for less than the cost of buying new. Recliners, dining chairs or tub chairs are restored to their original beauty and design.

Markham Furniture is owned and operated by Bill Rizk former Barrymore Plant Manager

"No upholstery job is too small for us," says Mr. Rizk. "Reupholstering will extend the life of your existing furniture and save the cost of replacing it."

### LEATHER SOFAS

Markham Furniture builds and sells quality leather sofas at well below retail prices. They use no vinyl matches and no split leather - only top grain Italian leather.

### OVER 25 YEARS EXPERIENCE

Prior to establishing Markham Furniture, Mr. Rizk spent more than 13 years managing the Barrymore Furniture plant. With a total of 25 years experience in the furniture building industry, Mr. Rizk is committed to providing customers with superior quality and service at reasonable prices.

"Most of our employees have 25 years' experience, or more, and will deliver unbeatable quality," says Mr. Rizk.

The company carries brand names such as Robert Allen, Joanne Fabrics, J. Ennis Fabrics, Caravan, Avante Garde, and many colours of top grain Italian leather.
