Twenty Markham District High School students were honoured Thursday for their work in painting murals of local scenes at Participation House on Ninth Line. Above, firefighters Ron Lewis (left) and Captain Jim Jones (a Stouffville resident), check out OAC student Shannon Winterstein's painting of the Markham Fire Department's station 7. The mural took four months to complete.

Tourney raises money for kidney research

BY WAI-YIN CHAN
Special

Markham and Unionville residents will be stretching their arms and swinging their bats to raise money for the Kidney Foundation of Canada.

Ten mixed teams are competing in the Kidney Classic mixed slow-pitch tourney from 8 a.m. to 7 p.m. on June 29 at Markham Centennial Centre on

McCowan Road.

Tournament co-ordinator and former kidney patient Brian Noad hopes the event will raise awareness of kidney diseases.

He also hopes the tournament, dinner, music and award presentations raise \$2,000 for the foundation.

Anyone interested in participating or contributing can call 905-471-4134.
