TOWN OF GEORGINA  
CAREER OPPORTUNITY

## LEISURE SERVICES PROGRAMMER

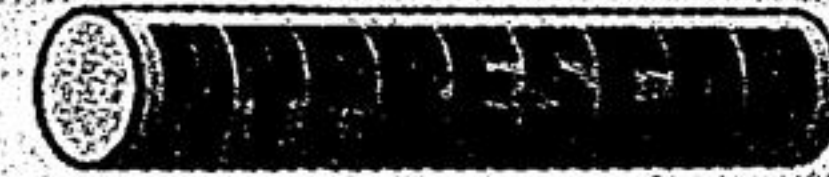

The Town's Leisure Services Department is seeking a highly motivated, energetic individual, to plan, develop, coordinate and implement programs and special events, both existing and new, for people of all ages and abilities, within our growing community.

The Leisure Services Programmer is the liaison/resource person for community groups and the general public in areas related to program services and is responsible for assessing/evaluating and reporting on the needs/wants of the community; creating advertisements/press releases/brochures/promotional material; coordinating/implementing/facilitating workshops or seminars for volunteer groups/organizations; and assisting the Leisure Services Manager on matters affecting programs/special events.

To apply for this challenging position you must possess formal academic training in Recreation Leadership or a related discipline; demonstrated experience in direct and indirect programming, preferably in a public sector environment, promotional techniques and community development; strong organizational, public relations and analytical skills; hold a valid Class G Driver's License and be available to attend evening and/or weekend events and meetings.

The Town offers a comprehensive benefit package and a supportive work environment. Wage rate \$746.41 - \$829.34 per week

Qualified applicants, are invited to submit a detailed resume, with cover letter, not later than Monday, July 15, 2002 to: Human Resources Office, Town of Georgina, 26557 Civic Centre Road, Keswick, ON L4P 3G1. Fax (905) 476-1957 E-mail: [cmarsden@town.georgina.on.ca](mailto:cmarsden@town.georgina.on.ca)

## PRECAST DESIGN ENGINEER

Hyprescon is the largest producer of prestressed concrete pressure pipe in Canada and a major manufacturer of prestressed concrete pressure pipe for large diameter water mains and prestressed concrete products for highway and municipal bridge structures. Our company currently offers a challenging opportunity for a precast design engineer at our office in Stouffville, Ontario. Duties will involve all aspects of design, manufacture, quality assurance and cost estimates of all our precast concrete products. Applicants must have a university degree in Civil Engineering and the qualifications either to have a PEO designation or to be able to apply for their professional designation in Ontario. You must have excellent analytical, problem solving, communicating, writing and leadership skills.

If you have previous experience in precast concrete products or if you are a recent graduate and wish to pursue this excellent career opportunity, please send your detailed resume to (please no phone calls):

Hyprescon  
 5387 Bethesda Road  
 Stouffville, Ontario  
 L4A 7X3  
 Attn: Personnel Department  
 Fax: 905-640-5154  
 Email: [pscibert@ont.hyprescon.com](mailto:pscibert@ont.hyprescon.com)
