

### Bereaved Families of Ontario

Founded in 1978, under the auspices of the Hospital for Sick Children, Bereaved Families is a self-help organization staffed by bereaved persons. Specialists in the area of grief and bereavement from the professional community serve as a resource both in the development of on-going programmes and in the supervision and training of self-help group leaders.

This co-operation between lay and professionals has enabled Bereaved Families to better respond to the needs of the bereaved and has helped guarantee that the best support is provided.

## Four York residents charged in massive drug bust

BY ROGER VARLEY Staff Writer

Four York Region residents — including one from Markham — are among dozens rounded up in co-ordinated arrests and searches Tuesday conducted from the Niagara peninsula to Halifax.

Arrested in the sweep were Woodbridge residents Vincenzo Cirillo, 33, and Ron Deconciys, 44.

All were charged with either conspiracy to import or conspiracy to traffic in a controlled substance.

Arrest warrants were issued for Michael Henry Bower, 54, of Keswick, and James Lillico, 43, of Markham.

They were among more than 35 people arrested in Ontario, Quebec and Nova Scotia as a result of a two-

year investigation by RCMP and other police forces in what police said was a major blow to organized crime networks in Hamilton, Toronto, Montreal and Halifax.

The investigation involved numerous RCMP detachments and police forces in Niagara, Barrie, Hamilton, Montreal and Halifax, as well as Jamaica and the United States.

In southern Ontario alone, the drug busts resulted in the seizure of cocaine, hashish and marijuana with a street value of more than \$69 million.

The total amount of drugs seized in the eastern Canada busts was set at almost \$96 million.
