Dear Markville Customers:

As Markville Shopping Centre evolves through our next phase of development you may experience an occasional inconvenience as shown here. We assure you that these changes will reveal an improved Markville Shopping Centre.

Our goal is to develop a shopping environment foreseeing your wants and needs. On this journey there may be some small disruptions that you, our customer, might experience. You have our promise that we are committed to you and providing the best possible plan to minimize any inconveniences.

Throughout the balance of July and the month of August varying sections of Markville's parking area along Hwy. #7 (as seen here) will be undergoing resurfacing. Abundant parking is available in areas along Bullock Drive and McCowan Road. Signage on the property will direct you to these areas.

Should you have concerns or recommendations regarding this project, please feel free to contact us at (905) 477-6600.

Once again, thank you for your patronage, patience and cooperation throughout our development project.

Yours truly,
 The Markville Management Team
