

HORTICULTURE THERAPY PRACTISED AT HOSPITAL

STAFF PHOTO/ROB ALARY

Markham Stouffville Hospital's recently opened therapy garden is designed to aid recovery for psychiatric patients. Patient programming in the garden is being provided by a therapeutic recreation specialist and a treatment team. The project was possible thanks to donations from the Mathers family and Weall & Cullen. Celebrating the opening are (back from left) Sue Clarke, Dr. David Kocerginski, Cindy Draper, Gina Rosen, (front from left) Terry Leach (with son Jackson), Amanda and John Mathers and their daughter Brienne. At far right is Rebecca Mathers.

Bereaved Families of Ontario

Founded in 1978, under the auspices of the Hospital for Sick Children, Bereaved Families is a self-help organization staffed by bereaved persons. Specialists in the area of grief and bereavement from the professional community serve as a resource both in the development of on-going programmes and in the supervision and training of self-help group leaders.

This co-operation between lay and professionals has enabled Bereaved Families to better respond to the needs of the bereaved and has helped guarantee that the best support is provided.
