259 card of thanks

Thank you to the many firemen who put in so many hours of hot hard work fighting our hay barn fire. To all the neighbours who brought their tractors and tankers to haul water. Special thanks to Howie Herrema and Tom Larue who organized it all. To all the friends, neighbours, and businesses who helped, and the food and drinks that were brought in. At a time like this wonderful friends and neighbours are truly appreciated. Thank you all so very much. The Risebrough family.
