## Welcome Back

As we begin a new school year, we have much to celebrate. We are proud of all of our partners in Catholic education.

We are proud of our dedicated teachers, principals and support staff, who prepared our schools to welcome back our students this week. We are proud of our parents, who support our Catholic schools and our mission to incorporate Christian values throughout our curriculum. We are proud of our determined students, including the 600 OAC students who achieved Ontario Scholar status last year.

We look forward to the many opportunities to again work with our system partners to live out our faith and to continue providing excellent Catholic education to the students of York Region.

Growing together with faith
