If you have trouble picturing yourself in a Mercedes, it's probably because you've never test driven one.

► **C-CLASS.** We can tell you over and over that you, yes you, can actually own a stunning new Mercedes-Benz C240. But anything we can say pales to the argument that the C240 itself can make at 100 rock-solid kilometres an hour. Or the look on your face in the rear-view mirror, as you quietly realize, "I can really see myself in this car." So if you've been holding back for one reason or another, maybe it's time to let those reasons take a backseat. And put yourself in the front seat of the surprisingly affordable C-Class instead. Mercedes-Benz. You're ready. **VALUE PRICED STARTING AT \$38,450***
