This past Sunday Whittamore's Farm had an unexpected fire that destroyed our big straw maze. We are thankful that no one was injured and that we can continue to operate our business during this fall harvest season. Suzanne and I would like to thank our staff, friends, family, neighbours and customers - from the field workers who were directing the emergency vehicles, to the store staff who were trying to maintain a sense of calm, to the tractor driver, staff and customers who worked to remove as many bales from the inferno as they could and the staff who worked to keep our customers away from danger. Also, a special thanks goes out to the Markham, Pickering, Stouffville and Toronto Fire Services, York EMS and York & Metro Police for their excellent work. We truly appreciate all the effort and support from everyone.

Thank you all.
Sincerely,
Frank and Suzanne
