

EVERY WEDNESDAY AT 8:30 AM,
THE FIRST TEE AT WOODEN STICKS
BELONGS TO MICHAEL MILLER.

WHAT TIME WOULD YOU LIKE TO OWN?

If you had the chance to own your own golf course, with the ability to play when you wanted, wouldn't that be grand?

OK, now back to reality.

Wooden Sticks has made the impossible possible for dozens of companies and individuals.

Introducing the unique "Tee Time Owner" program, from Wooden Sticks. You can now "own" your own foursome, at the same time every week, guaranteed. No scrambling to book ahead or juggle schedules. Your time is your time, you own it.

By becoming a Tee Time Owner, Wooden Sticks gives you the following all-inclusive privileges and benefits:

- Included every week is valet parking, two full sit-down meals for your foursome and refreshments on your carts, along with the use of our CPGA supervised practice facility,
- 20 foursomes per season to entertain clients or friends.
- Guaranteed ownership of your Tee Time for years to come.
- Flexibility to transfer your Tee Time to friends and clients, when you can't be there.
- Priority access to exclusive events throughout the season.
- Preferred foursome rates.
