It's hard to think that it has been a year, Our hearts still hold you ever so near. We will always long for the sight of your face, But we know that God has you in a beautiful, safe place. Life will never be the same... We will always call out your name... We long for those wonderful yesterdays, Of school projects, birthday parties and happy holidays. Watching you grow and evolve into a kind, clever young man, A big future dream, lots of great friends to lend a helping hand. The gifts of your memories, which you gave to our family, Are filled with warmth, laughter and your witty ways... So now we look to the sky and say a prayer, And hope that if we get to Heaven, you'll be waiting there... Until then, we'll wait our turn. Try to make a difference with the lives that we touch, Maybe then the pain won't hurt as much. Thank you for choosing us, for your Dad and Mum, We were truly blessed to have you as our wonderful son. Angels please watch over our special Justin. God bless you Justin...  
Love forever  
Mum, Dad and Kirby (Your little dog)
