FACTS ABOUT SMOKE ALARMS

**Gently vacuum
alarm every
six months.**

Dust can clog a smoke alarm, so carefully vacuum the inside of a battery powered unit using the soft bristle brush. If electrically connected, shut off the power and vacuum the outside vents only. Restore power and test unit when finished.

NOTICE TO RESIDENTS

YARD WASTE/LEAF COLLECTION

Residents are advised that starting this fall, leaves **will only be collected** if they are in clear plastic bags, paper bags or reusable open top containers (excluding cardboard boxes) such as bushel baskets or garbage cans.

The Town will no longer be picking up leaves raked, blown or piled along the roads.

Non-containerized or non-bagged leaves present a traffic and drainage hazard and residents are required to remove them.

Refer to the 2002 Garbage and Recycling Schedule for more information on Yard Waste Collection and York Region's Composting Facility on Bloomington Road. A copy of the schedule can be obtained from our website at www.townofws.com
