Ballantrae library off wish list

From page 1.

reconstruction of Baker Street between Main and Manitoba streets. Council also approved spending \$303,000 to resurface St. John's Road from Hwy. 48 to Regional Road 30. Meanwhile, \$150,000 was set aside to possibly re-align the Tenth Line at Main Street.

• While Ward 2 Councillor Mark Carroll was pleased \$300,000 will be spent to renovate the Ballantrae Community Centre, he was upset when his colleagues removed a satellite library for Ballantrae from the five-year forecast.

• Despite the fact that the fund-

ing from the federal government did not come through to help pay for a new roof for the Stouffville Arena, council did, putting up \$485,000 for the project. Construction gets underway in May. The roof at the Ninth Line Complex started to leak shortly after the building opened in 1985.

• Unlike other recent budgets, the 2003 capital budget did not include big-ticket items like an arena, a library, a fitness centre or a swimming pool.

Councillors did, however, OK a \$39,500 vehicle for the fire department, \$3,500 in fertilizer for town parks, \$2,500 to refinish the floor at the Vandorf Community Centre and \$2,500 to buy benches for the Stouffville Cemetery.

MARK CARROLL: Happy about community centre work but upset Ballantrae library isn't in forecast.
