How do I know which Mercedes-Benz is right for me?

- 1) Look through our model selection and decide which one(s) suit you and your lifestyle.
- 2) Cut out along dotted line.
- 3) Hold cut-out at arm's length in front of your home or driveway, and imagine that it's a real Mercedes.
- 4) Once you have selected, simply go to the nearest dealership and pick up the full-size version.

► Actually, it's not that simple. Because once you finally choose a class of Mercedes-Benz, the real fun begins. Sedan or wagon? Coupe or convertible? Sport package or high-performance AMG? All-wheel-drive 4MATIC? Fortunately, all of our possibilities have the engineering, safety, quality, and proven value you'd expect. There truly is a Mercedes for everyone. Mercedes-Benz.
