Sandy's Auto Fall Winterization Service will help you get through our long, cold winter

The arrival of colder weather has prompted many motorists to start thinking about Fall and Winter service. We can help you to have comfortable winter driving and sure starts in sub-zero temperatures.

Our Fall winterization package includes: lube, oil and filter, vital fluid check, which includes coolant/antifreeze test; we test temperature range and corrosion effectiveness; brake fluid levels and moisture content; safety inspection and safety test drive; tire rotation and thread depth test; complete brake, front-end and suspension inspection; we also test your battery and alternator to ensure quick starts. Special \$59.95 most cars.

Each year, cars and trucks become more sophisticated in design, says Sandy, an ASE (Automotive Service Excellence) Certified Automotive Technician, who is affectionately known as the "Doctor." That's why we upgrade our technical skills and product knowledge constantly.

Sandy adds: "We specialize in engine computer and sensor diagnosis and repair, anti-lock brakes, traction control, fuel-injection service and a wide range of other services from transmissions to tire repairs. This is your complete one stop shop."

Sandy's Auto Service Ltd. is Markham's first accredited emission test and repair facility. All tests are by appointment for your convenience, and you will be in and out in 20-30 minutes.

"I'll tell you whether your car does and doesn't need fixing, or if you need to return to your dealership for warranty repair," says Sandy, a 38-year veteran in the automotive industry.

Sandy always takes the time to explain any repairs or maintenance work that is being

performed or required and is happy to answer any questions. Sandy also shows customers any defective parts and explains why they needed to be replaced.

Customers appreciate this personalized service and attention to detail, which has earned him a loyal client base over the years and the nickname, the "Doctor." We always call our customers to verify any repairs before any work commences. Honesty, fairness and respect for our customers are the foundations of our business.

To ensure that your vehicle operates smoothly this Fall and Winter, call Sandy's Auto Service Ltd. to arrange your appointment. They're open Monday to Friday 8 a.m. to 6 p.m. Closed Saturday and Sunday for family time. Watch for Sandy's specials in the Focus on Business section.

There is no need to have to wait for the weekend to get your car repaired. We will supply a new car at no charge for any major repairs by appointment, says the Doctor.

Sandy's Auto Service Ltd. is located at 176 Bullock Dr., Unit 8, in Markham. They can be reached at 905-294-3868.
