Kids are King at the Festival

As the premiere family event of the year, kids are special at the Markham Festival of Lights. At the Kids Krafts centre, they can make and take some wonderful bead and Christmas creations; visit the Petting Zoo at the corner of Main and Robinson, enjoy the performance by Scrooge, and listen to the York Region Children's Chorus and the Cat'n the Fiddle. There are clowns, stiltwalkers and the Travel'n Riverboat Show. How about a pony ride, dog cart ride or a ride on the North Pole Express Train. There is a small charge for the pony ride but the other ones are free. St. Andrew's Presbyterian Church is holding a Junior Bazaar with crafts, food and activities. St. Andrew's United Church will have their traditional Living Creche on their front lawn. And of course, don't forget to visit Santa who will be located inside on the north-east corner of Main and Robinson Streets. He will be available to hear all those special wishes and have your picture taken.
