

Dinner raises cash to fight landmines

The Markham-Unionville Rotary Club is joining the fight against landmines by participating in the second annual world-wide "Night of a Thousand Dinners."

The Canadian Landmine Foundation and the United Nations Association of the U.S.A. co-ordinated the event last year

with much success. Their mission is to raise awareness and money to combat the global landmine problem, including mine clearance and survivor assistance.

The event is world-wide, but locally it will be at Mr. Hungarian Restaurant on Main Street, Markham at 6:30 p.m. on Thursday, Dec. 5.

Tickets are \$21.50 per person. The cost includes a buffet dinner and entertainment by 10-year-old singer Emily Sauro-Langlois. Organizers are also asking for donations, for which a tax receipt will be issued.

For more information or to purchase tickets, please call 905-477-1221.
