## Headlines 'were great ... very friendly and fun to be with!'

(From page 12)

used an Ivory Cream coloured eye shadow to highlight her brow bone and to open up Claire's eyes. She continued to apply a Matte Green shade on the inside corner of both her eyes. In the centre of Claire's eyelids, Grace applied Pale Yellow and on the outside corner of her eyelids, she applied a Matte Sky Blue shade.

Grace then added a loose Light Amber shimmer to her cheekbones. "It was carefully applied on her cheeks, to have it remain natural looking," Grace explains.

She used a Sheer Coral gloss on her lips, which complimented her hair colour and eye makeup well. All makeup used in Claire's makeover was by Sebastien Trucco Professional. "She looked absolutely spectacular," exclaimed Grace afterwards. "The makeup was applied very well," commented Claire, as she acknowledged the extensive use of colour.

Claire was impressed with Headlines. "They were great, very friendly and fun to be with. They work very well together, as a team. It was an amazing day!"

CLAIRE AFTER

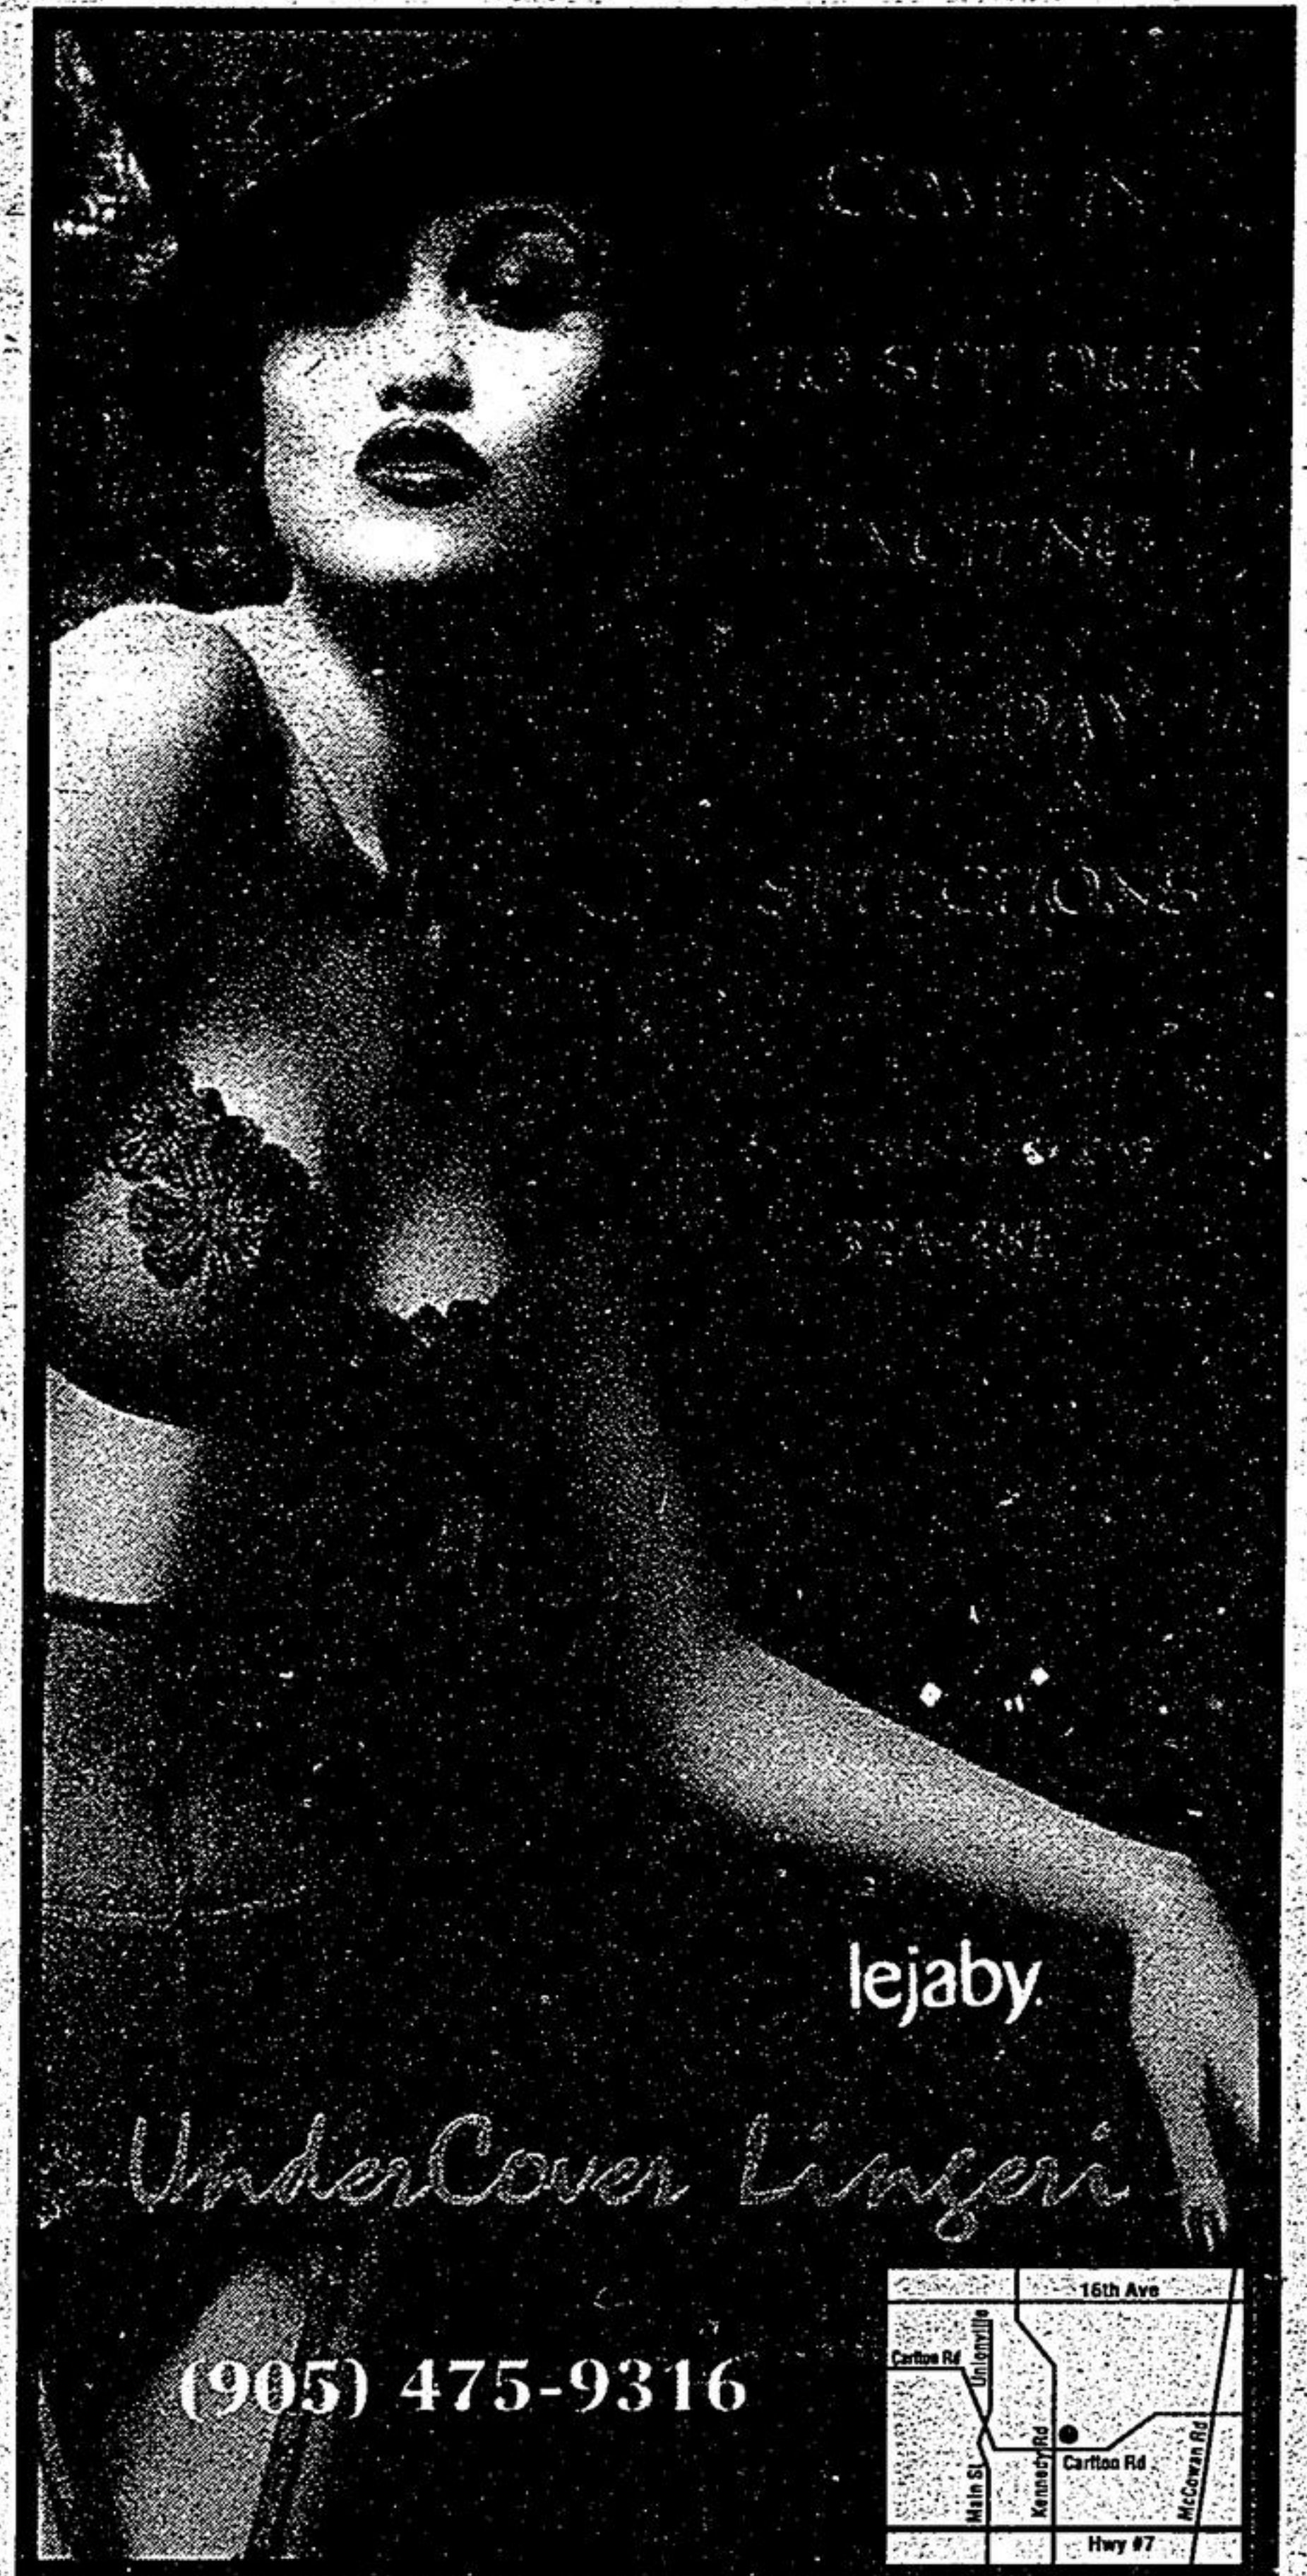

Claire said she would "definitely recommend" Headlines. "I'll be going back myself," she said.

In conclusion, Claire noted, "It's an exciting new look! The colours make it very modern looking ... like, 'Wow!'"
