A note from the Sherwoods...

We would like to sincerely thank this caring community for the outpouring of love and support for family, our friends and us, since the heartbreaking passing of our wonderful son, Justin on October 26, 2001.

The scholarship we started to keep his memory alive and help other students has grown and blossomed into a beautiful legacy. This community, our personal friends, Justin's friends, business friends and thoughtful strangers, helped turn Justin's Computer Technology Scholarship in to their dream as well. Last year, three Markville High School students received \$5,000.00 each and are attending the University of Waterloo.

We are planning to expand Justin's Scholarship this year to include six new High Schools. Unionville, Milliken Mills, Middlefield C.T., Father McGivney, Markham District and Brother Andre. Justin's Scholarship at these schools will be \$2,500.00 ea. Also for this year only, there will be two scholarships offered at all the High schools, one for a graduating grade 12 student and one for a OAC student. That is a total of 14 Scholarships this year. Next year we will include St. Augustine and Pierre Elliott Trudeau. Big goals, but they are not just our goals...they are this community's and beyond. Thank you so much.

Paris and Sue Almassi, owners of Sinfonia Ristorante, Unionville have helped us more than we could ever express. They have donated their Ristorante twice to our family, for these delicious luncheons and the staff even donates their time! We were fortunate to have so many generous businesses donate wonderful items for the silent auctions. This year, everyone who attended the luncheon, had fun participating in the silent auctions, and helped raise an unbelievable \$15,400.00. Combined with last year's total (\$16,300.00), our community raised \$31,700. This money will be turned into scholarships and change so many lives. God Bless each and every one of you for your love, prayers and support. We want Justin's Scholarship to stand for every young life that has left this earth too early.

If you are interested in contributing to the Justin Sherwood Scholarship Fund please mail a cheque to "The Justin Sherwood Scholarship Fund." 24 Waterbridge Lane Unionville, Ontario L3R-8W8 (tax receipts will be issued)
