Giant Tiger chain bringing fashionable looks, 50 jobs to old A & P store

The front section of the old A&P store in Stouffville will soon be demolished to make way for a 21,000-square-foot Giant Tiger store, Jeff York, president of the

Ottawa-based Giant Tiger, said construction at the Stouffville Plaza location is about to get underway. The store will open this fall.

Landlord Michael Vong will demolish the front of the old A & P and add more parking. Fifty full and part-time employees will be hired, said

David Thorpe, marketing manager for Giant Tiger.

Two weeks ago, the Town of Whitchurch-Stouffville's committee of adjustment approved a minor variance on the property, allowing Giant Tiger's plans to proceed.

"Giant Tiger is your all-Canadian family discount store. It will be clean, neat, bright, friendly and a fun place to shop," said Mr. York.

"This store fills the niche which is needed in Whitchurch-Stouffville and it brings jobs for second income earners and for students," said Eric

Lismanis, Whitchurch-Stouffville's economic development officer.

Giant Tiger sells clothes and footwear for the entire family plus decorating items, health and beauty needs, cleaning supplies, groceries, frozen food, dairy products and toys.

Clothes will arrive at the store in Stouffville daily.

Giant Tiger, established in Ottawa in 1961, has 117 stores in Ontario, Quebec and Manitoba.

In the local area, there are stores in Sutton and Ajax.
