The Weekend to End Breast Cancer

Princess Margaret Hospital

It's an incredibly special event. Thousands of women and men will unite for one weekend, September 19-21, 2003, and walk 60 km in a bold display of courage and commitment. It's a weekend of hope, as we honour lives lost, celebrate survivors, and help bring breast cancer care to those who so desperately need it. Who has been affected in your life? A mother, sister, daughter, friend? The Weekend to End Breast Cancer is your chance to go the distance in the fight against this disease.

"Nobody I know has had breast cancer. Please help me keep it that way. One in nine women are diagnosed with breast cancer. That could be your mom, sister, wife, girlfriend, co-worker or friend. It could be me. Please be generous. Thank you!"
