\$699*
A MONTH AT
6.9%

THIS ALONE IS WORTH \$699 A MONTH.

What price would you pay for complete peace of mind? For a rigid frame that preserves the M-Class cabin upon impact? For highly advanced front and rear crumple zones, as pioneered only by Mercedes-Benz? And for 3-point seatbelts for every occupant, and full-length head protection curtains? That amount, supposedly priceless, has been summed up to an astonishingly low lease payment of \$699/month at 6.9%. Come in for a test drive. It's worth your time. Mercedes-Benz. You're ready.
