Vehicles stolen from Vivian Road homes

Police are seeking suspects — and a pair of missing vehicles — after two residents of Vivian Road in Whitchurch-Stouffville were victims of theft on Good Friday.

A red 2001 Honda motorcycle, with licence plate number 1W180, was removed from a

shed attached to a home, despite the fact the bike's locking mechanism was on.

The bike has special aftermarket exhaust pipes and a Corbin seat, police said.

Across the road, sometime between midnight and 5:30 a.m., an all-terrain vehicle was

stolen from the back of a pick-up truck.

It has two lights in front, two polished rims, and was bearing plate number PJ689.

Anyone with information is asked to call 905-881-1221, ext. 7500.
