## NATIONAL VOLUNTEER WEEK APRIL 27th- MAY 3rd 2003

**Volunteers are indeed  
"Satisfaction Guaranteed"**

The phones have been ringing in the Community Resources office. We hear how eager you are to return to the Hospital to do what you do best—care for the needs of others. We want you to know we miss you too!

A volunteer to us, means "Satisfaction Guaranteed."

We can sometimes take you for granted as you seamlessly move through our Hospital community. Your absence during this critical time has been felt throughout the organization. Thank you for understanding that from the Hospital's perspective, your safety has been our top priority. We encourage you to embrace the short break and re-energize because you will quickly discover when we get back to normal how much we really did feel your absence!

We will officially celebrate National Volunteer Week upon your return, to honour what you each bring—service well rendered in support of others.

To each of our volunteers we extend a heartfelt thank you and look forward to saying, "welcome back" in the very near future.

Magda Rigo, Director, Community Resources & Organizational Development

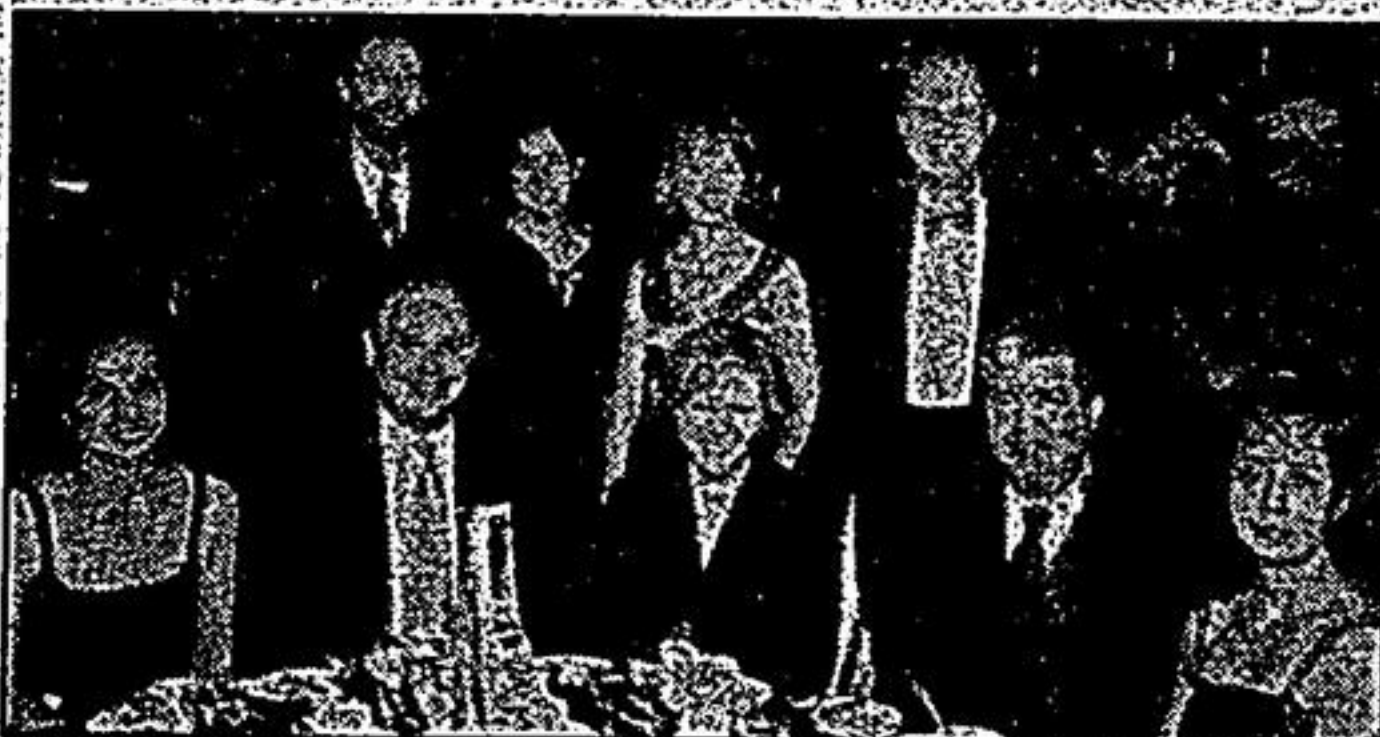

Yvonne Rowan, Coordinator, Community Resources

Judy Weir, Secretary, Community Resources

Don Shields, Coordinator, Spiritual and Religious Care

## "BOWLING FOR BEDS" A Bowling Tournament in Support of Markham Stouffville Hospital

Calling all bowlers (and non-bowlers alike)! The Leadership Development Council wants you and five of your friends to join us in "Bowling For Beds."

Markham Stouffville Hospital Foundation's "Leadership Development Council" will be hosting its premiere fundraising event the evening of Friday, May 23rd at World Bowl on Leslie St. With 40 teams of six participants, the "Bowling For Beds" tournament consists of two games of 10-pin bowling followed by awards and a reception at a local restaurant. Funds raised through pledges, registration fees and sponsorships will be used to support Markham Stouffville Hospital. Prizes will be awarded to best fundraisers and bowlers (individual and team).

The mandate of the Leadership Development Council is to involve the younger generation (ages 20 to 35) in fundraising activities benefiting Markham Stouffville Hospital. Membership comprises individuals from the community who are dedicated to promoting the hospital and raising its profile amongst their peers.

"Bowling For Beds" is the council's inaugural event and will attract over 240 people between the ages of 20 and 35 to come out for a night of sport and camaraderie. This is the hospital's first fundraising event geared specifically to a young adult audience and is sure to be a fun-filled evening for all!

For more information regarding this event, please contact the Markham Stouffville Hospital Foundation Office at (905) 472-7059.

## CRAZY 80'S St. Paddy's Day Party

On March 15th the Markham Stouffville Hospital Foundation's Leadership Development Council held their Kick-off event at Angus Glen Golf Club "Crazy 80's St. Paddy's Day Party". The LDC would like to thank Angus Glen and in particular Kevin Thistle and the staff for their generosity and support of this event. This partnership raised a total of \$3500.00 for hospital.
