## Come play the Shipwreck at Timber Creek

Timber Creek Golf, located at 12772 Ninth Line in Stouffville, is a unique and exciting outdoor family recreation centre. Two adventurous miniature golf courses are the main attraction, which draw visitors

from across the GTA. The landscaping and architecture really make you feel like you've escaped to a different world!

The original course, The Logging Camp, was newly renovated for 2002. Eighteen exciting holes of miniature golf lead you through a forest of pine trees, a churning sawmill and plenty of running water. The second course, The Shipwreck, was completed in the summer of 2001 and includes a lighthouse and an amazing shipwreck! Winding around the canyon through rushing waterfalls truly make these nineteen holes a real challenge.

With two courses, there will be even more fun this summer and no more waiting for our many visitors, birthday parties, camps, church and group functions which Timber Creek has come to specialize in.

Timber Creek Golf also includes an extensive

Driving Range with grass and Astroturf mats and a chipping green with Ohio sand bunkers. Our range prices are by far the lowest around and memberships are available. Golf clinics and summer golf camps are available for all those wanting to learn or improve their game. The batting cages are equipped with slo-pitch, hardball, and softball. A games barn is located just off the dairy bar which offers a variety of cool treats including Kawartha Dairy hard ice cream for after your game.

There is a real sense of pride that is apparent when one visits this well-run family business. For information call (905) 642-5174 or e-mail [info@timbercreekgolf.ca](mailto:info@timbercreekgolf.ca). Open Mon-Fri 10am until 11pm and Sat-Sun 9am until 11pm. The entire facility is well lit for evening play and is wheelchair accessible.

## Cresthaven Golf Club

18 Hole Par 3 course designed to permit use of every club in your bag.

Intersection of Hwy 407 and McCowan Road

905-477-2756

## Markham Green Golf Club

Markham Green originally opened as the Box Grove Golf Club in the 1940s. Since then the course has undergone many changes to become this exciting 9-hole, par 35, 3008 yard layout. Nestled in the Rouge River Valley, this 9 hole course entwines with the Rouge River necessitating several carries over water. Many of the fairways are tree-lined, requiring accurate tee shots. The greens are a big feature, generous in size and quite fast. Add to this subtle rolls and sloping that require a steady hand and a good eye to read the deceptive lines. Tee to green the course is kept in immaculate condition. Markham Green will more than satisfy golfers of all levels with its friendly atmosphere and exceptional challenge.

Markham Green is a mature scenic

course which provides a natural habitat for a wide array of wildlife. Course conditions include bent grass, tees, fairways and greens. The course provides a licensed snack bar and patio, as well as beverage cart service. Clubs, power & pull carts are available for rental. Markham Green also offers attractive, 100% transferable prepaid packages which are ideal for couples, families, friends, small groups and employee incentive programs.

Reservations are taken up to 7 days in advance (golf shop 905-294-6156). 2003 pricing: Weekday 9 Hole Green fee (Mon-Thurs): \$26+GST; Weekend 9 Hole Green fee (Fri-Sun, Hol): \$29+GST. Junior and Twilight discounts available. Website: [www.markhamgreengolfclub.ca](http://www.markhamgreengolfclub.ca)
