CATCH UP, KEEP UP or GET AHEAD

Doctors recommend children exercise daily in order to promote their healthy growth & development.

At Kumon, in as little as 20 minutes a day, your children can exercise their brains to build a strong foundation in math and reading. With the year-round

Kumon program, your children can also gain confidence and learn disciplined study skills that will last a lifetime.

Whether you want your children to CATCH UP, KEEP UP or GET AHEAD, call 1-800-ABC-MATH or visit us online at www.kumon.com.
