

Great news.
Our coffee's changed.
And our
breakfast hasn't.

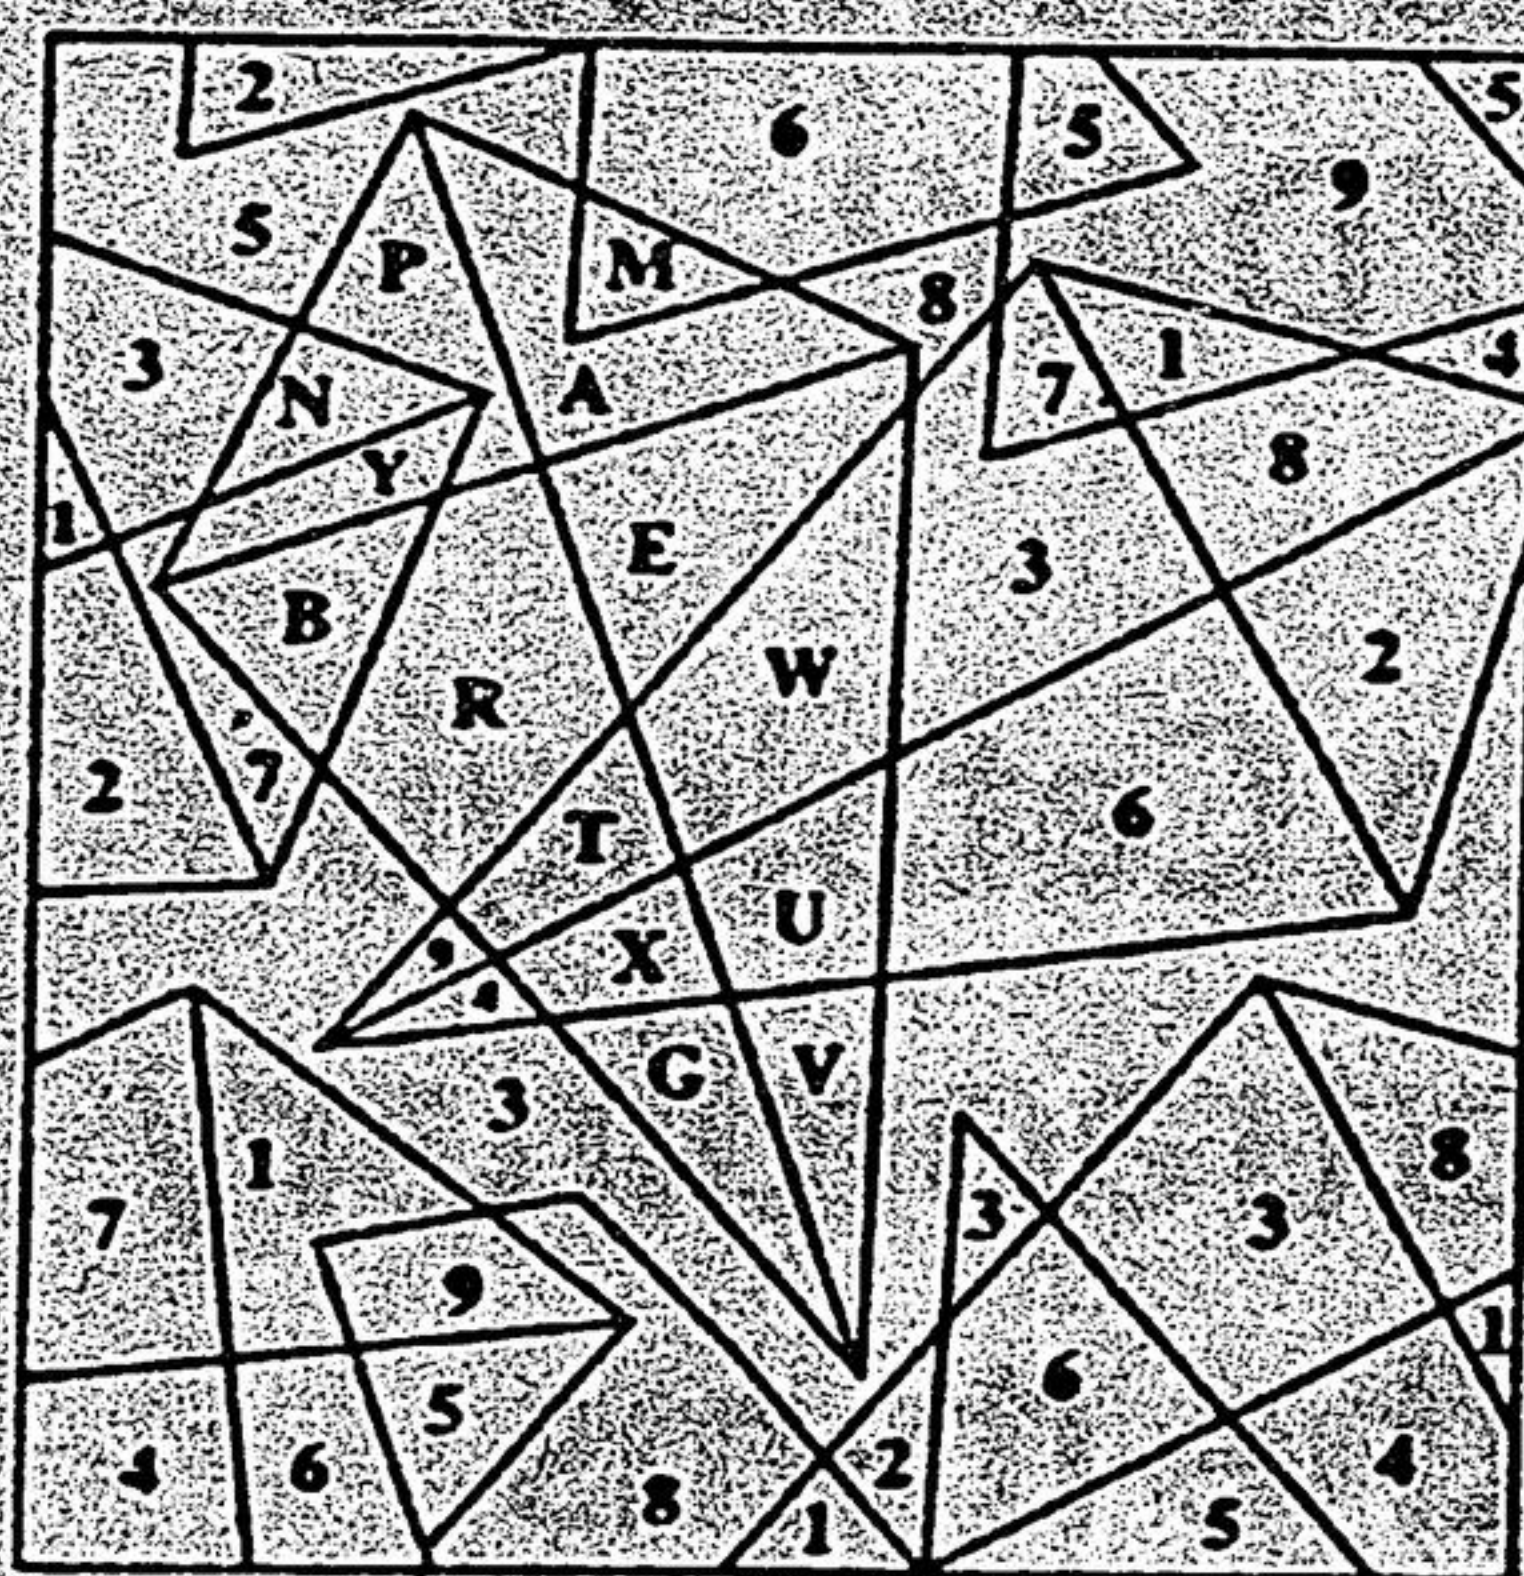

Getting up in the morning's easy when you are heading to McDonald's for breakfast. Now breakfast is even better thanks to our new coffee blend, Cafe Roast. An exceptional full-bodied blend, gently roasted to perfection. Freshly brewed with 100% Arabica beans.

McDonald's Restaurants in Ontario will donate 10¢ to BREAKFAST FOR LEARNING with every coffee* sold on Fridays to help all children in Ontario start their day with a healthy, nutritious breakfast.

*Regular brewed coffee. Valid during breakfast hours only. At participating McDonald's Restaurants of Canada Ltd. © 2003 McDonald's Restaurants of Canada Limited.
