

Lawn bowling club wants residents to try its game next week

The Stouffville Lawn Bowling Club is launching its Lawn Bowling Open House campaign next week to encourage residents to take up the game.

Members of the Stouffville Lawn Bowling Club have been practising the sport for 109 years.

TIPS FROM VETERANS

Experienced bowlers will share the finer points of the game May 20

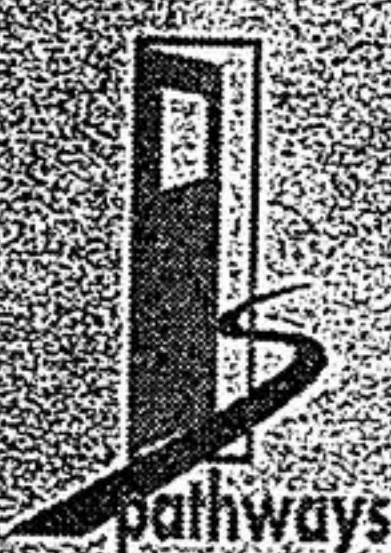

to 22, as well as May 26, 28 and 29. Open house times are 7 to 8:30 p.m. During the season, residents can join the lawn bowlers any Thursday at 7 p.m.

The club will host 16 tourna-

ments this summer, including the lawn bowling competition for the York Region Senior Games June 10. This is a sport for all ages, noted Marg Curtis, president of the club. People of any age are welcome to

join club members for the exercise, fun and fellowship. Members can come out as little as once a week. To find out more about the club and enquire about memberships, call 905-640-2005 or 905-640-0461.

You don't have to be on the street! Are you 15-19 years old and need a place to stay while you sort things out?

Successful leaders are great communicators. Leaders communicate effectively when they are clear about who they are and what they stand for, when they understand the diversity of their audience and when they are authentic and genuine. Resurgence Theatre Company invites business and community leaders to participate in a program designed by Janus Global Consulting that will teach you how to enhance your leadership voice.

This program makes extensive use of Shakespeare, and his gifts for storytelling, characterization and language, and also uses drama. Voice coaches and actors will show you how to use your voice, in an authentic and engaging way. Developed in partnership with the Stratford Festival of Canada.
