Leading the way in the Fight against Muscular Dystrophy.

Thousands of Canadians are fighting every day against the progressive effects of muscular dystrophy. They count on the support of the fire fighters in their battle against muscular dystrophy and more than 40 other neuromuscular disorders.

When your fire fighters ask for a donation, remember they are the champions for many Canadians affected by a neuromuscular disorder.

And please give generously. **Until there's a cure, there's us.** **1-800-367-6666** **Association of Canada**

National Child Benefit

For our children to be happy and healthy, they need many things. Some are free, but many are not. The National Child Benefit (NCB) gives financial support to low-income families. This helps parents work towards a brighter future for their children. And it also helps to reduce child poverty in Canada.

To find out more about all our services for children and their families and to receive your guide:
